

Crusaderz is a fun filled time to learn about Jesus. This is a bible-based program ran by our StarKidz staff. The kids are involved in several service-based projects during the year. Examples of things we have done in the past are Cards for Communities, sponsoring children for Christmas, PS I LOVE YOU donations, etc. We generally meet once a month.

This is an **OPTIONAL** program offered through StarKidz.

If you would like your child to participate in StarKidz Crusaderz **please return this form at registration.**
