

StarKidz Crusaderz

Crusaderz is a fun filled time to learn about Jesus. This is a bible based program. The kids are also involved in several service based projects during the year such as Cards for Communities, nursing home visits, sponsoring children for Christmas, PS I LOVE YOU donations etc. We meet usually twice per month. This is an optional program offered through Starkidz.

Please turn in this bottom section if you want your child to be apart of this program.
